MADE A MATTER OF RECORD

DATE 1-11-72 CHARLES W. WESTERMAN, CITY CLERK

1/11/72

Mr. President — I should like to make this a matter of record.

I disapprove of these Council Chambers.

These Chambers are extra-ordinary — ostentatious and ridiculously expensive. They are not in keeping with the concepts of simplicity and austerity that Government must strive for.

I am taken back by the unnecessary splendor in which the Council sits (I refer to both the circular desk and the chairs).

Further — I am most offended by the marble-wood-metal railing that exists between the Council and the people.

offended because the railing is ^{obviously} most costly — but most of all because it is unnecessary. ^{On top of that —} It presents a psychological barrier,

If it were not for causing an additional expense, I would recommend that we remove this pompous structure and ^{useless} railing and seat ourselves in a more appropriate manner.

As it is, I do not wish to incur any additional expense and, therefore, reluctantly accept these quarters.

The Council then adjourned.
